Dear Sir/Madam:

The Massachusetts General Hospital's Research Affairs maintains a Research Funding Resource Library. This library is composed of information on various funding agencies that support scientific research.

In order to keep the library current, would you please review the enclosed abstract. Please feel free to make any necessary corrections and return to me as soon as possible. If you could also send the latest literature available regarding your program(s), it would be greatly appreciated.

Thank you for your cooperation.

Sincerely,

Patricia Brennan
